Re: Surety Contract

Dear Mr. Kirk:

During the November Executive Session of the Board of Oil, Gas and Mining, the Mined Land Reclamation Contract for the Redd Block IV Mine was signed. However, as it stands now this contract is incomplete because the signature of Mr. Croft was not attested to by the corporate secretary and the contract was not stamped using Union Carbide's corporate seal.

Enclosed you will find both copies of the Mined Land Reclamation contracts. If you would please attend to the above stated matters and return one copy of the originals back to this office, final approval will be issued at that time.

Sincerely,

RONALD W. DANIELS
